

Sell off demo units

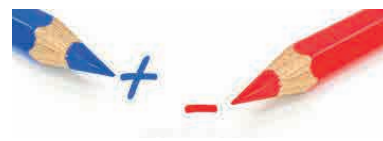

Take the **opportunity** and purchase one of the **new devices from our demo stock**, which were used exclusively for trade fairs, exhibitions and product presentations!

Depending on the configuration, we grant a **discount** of up to **more than 50%** on the high-quality optics for the inspection of your components and materials.

On request, we also supply the **appropriate camera** and **software**, install and train the users on site.

Ask us - because at the moment you will not get a new workstation in a more **budget-friendly** way!
